She Speaks To Every American Housewife.

I regard the Royal Baking Powder as the best manufactured and in the market, so far as

I have any experience in the use of such compounds.

Since the introduction of it into my kitchen, three years ago, I have used no other in making biscuits, cake, etc., and have entirely discarded for such purposes the home-made combination of one-third soda, two-thirds cream of tartar.

Every box has been in perfect condition when it came into my hands, and the contents have given complete satisfaction.

It is an act of simple justice and also a pleasure to recommend it unqualifiedly to American Housewives.

School Clubs. Scores 10 to 5.—Boonville's Star.

—"Roxie" Roach was injured during the game but by applying some of Flemmings' liniment, he was around again in his usual place.

Swearingen gets there in good shape, but he could not touch Clark in the matter of strikeouts.—Gazette. Does the Gazette stop to think of the condition of the boys, or the self-conceit that is connected with the Sedalia pitcher, or that they did not obtain the official score?

—The annual tournament of the Missouri Division of the American Wheelmen, will be held in Columbia, July 4 and 5. The programme consists of a street parade, and races on the 4th., and a banquet in the evening. On the 5th., a short run will be made into the country, and in the evening a "smoker" at one of the hotels. An elegant silk banner will be presented by the ladies of Columbia, to the best represented club outside of Kansas City or St. Louis.
